Good afternoon Kathryn,
Did the EPA release the 2017 eco diesels? I was under the impression that it was illegal to advertise or offer for sale a vehicle that does not have a COC from the EPA. I received this in the mail yesterday.

Thank you and have a great day.

Kathryn,
I recently ran across this article and have read the lawsuit. Outstanding job, thank you. I would not have guessed that the filing would be so detailed. Anyway I just wanted to say thank you.

Have a nice weekend.
